The Trustee in the above-entitled case filed a no asset report on December 6, 2002. The no asset report was generated by systems error and was erroneously filed. An Order approving the no asset report and closing estate was entered by the Court December 10, 2002. Therefore, the Trustee requests that the Court withdraw the Order approving the no asset report and closing the estate and allow the trustee to close the estate as an asset case when a zero bank balance has been received.
